Tribal and State Health Collaborative Roundtable
February 2-3, 2012
Marriott Century Center
2000 Century Boulevard NE
Atlanta, Georgia

Goal
Identify opportunities to improve state health and Medicaid agencies collaboration with tribal health leaders

Objectives
1. Identify successes and challenges around collaboration to improve health outcomes
2. Understand the promising practices of linkages between tribal health, state public health and Medicaid which can significantly impact public health/population health
3. Identify funding challenges and opportunities to improve quality and access across health systems
4. Discuss how to support an alignment of resources through coordinated efforts, policy initiatives, and programs

Thursday, February 2\textsuperscript{nd}
