

# The Indian Health Service Division of Behavioral Health presents: The SAMHSA Tribal Training and Technical Assistance Center

Presented by Seprieono Locario

## Description

The Substance Abuse and Mental Health Services Administration (SAMHSA) Tribal Training and Technical Assistance (TTA) Center webinar will provide an overview of the SAMHSA led TTA support for substance abuse prevention and behavioral health wellness services offered to Indian Country. The webinar will review the charge to the new TTA Center and the spectrum of work the center is undertaking. The presenters will provide a review of the process individuals can use to request services, attend online training opportunities, and join peer to peer discussions supporting wellness in their respective communities.

## Objectives

By the end of the webinar, attendees will be able to:

- 1.) Identify the services provided by the SAMHSA Tribal TTA Center
- 2.) Identify staff and roles of support within the TTA Center and for Indian Country
- 3.) Understand the process of submitting a TTA request and the approval process by SAMHSA for TTA service

## About the Presenter

Mr. Seprieono Locario (Navajo/Sicilian) was born and raised in San Francisco, California and spent summers with his grandparents in Tohatchi, New Mexico and throughout the Navajo reservation. He earned his M.A. in Counseling Psychology at the California School of Professional Psychology in 2001. Over a 15 year period, Mr. Locario worked with American Indian youth in community mental health centers, higher education institutions, incarceration facilities, and reservation communities. In addition to providing direct clinical services, Mr. Locario worked to bring about improve the behavioral health care system for Native youth in California. Mr. Locario also worked at the National Indian Health Board where his focus was the identification and development of best practices with tribal communities. Mr. Locario is currently the Director of Training and technical assistance for the SAMHSA Tribal TTA Center.
