Legislative Action Alert

March 23, 2010

THANK YOU!

The National Indian Health Board thanks the countless friends and advocates of Indian Health who have helped to ensure health care for all Americans.

Today, President Obama signed into law the Senate's Health Care Reform bill, which included the **PERMANENT REAUTHORIZATION of the Indian Health Care Improvement Act**.

Many Tribal Leaders attended a special event with President Obama held at the Interior Department where he stated, "After more than a decade, we finally renewed the Indian Health Care Improvement Act."

This historic moment would not have been possible if not for the 219 members of the House of Representatives who voted in support of the Senate Health Care Reform bill on Sunday night.
