Federal Tribal Opioid Funding, Other Opioid Resources, and Technical Assistance

Department/ Agency	Grant Program, Resource, or TA Center	Brief Description	Total FY 18 Funding	FY 18 Total # Tribal Awards	FY 19 Anticipated Funding	FY 19 Anticipated # Tribal Awards	Point of Contact
DEPARTMENT OF AGRICULTURE	Interactive Data Tool to Help Rural Communities Address the Opioid Crisis https://opioidmisusetool.norc.org/	Tool enables users to overlay substance misuse data against socioeconomic, census and other public information. Intent is to help leaders, researchers and policymakers assess what actions will be most effective in addressing the opioid crisis at the local level.	N/A	N/A	N/A	N/A	Jay Fletcher (202) 690-0498 Weldon Freeman (202) 690-1384
DEPARTMENT OF EDUCATION/ Office of Safe and Healthy Students	Student Support and Academic Enrichment Program https://www2.ed.gov/programs/ssae/index.html	Formula grant to State educational agencies to improve students' academic achievement by increasing capacity of States, local educational agencies (LEAs), schools and local communities to: (1) provide all students access to well-rounded education; (2) improve school conditions for student learning; and (3) improve use of technology in order to improve academic achievement and digital literacy for all students. LEA subrecipients are allowed, and in some cases required, to use at least 20% of funds to support safe and healthy students, which may include drug prevention activities including educational programs for students and teachers, among other allowable activities. However, SSAE funds may not be used for medical services or drug treatment or rehabilitation.	\$1.1 B (one-half of 1 percent is reserved for Bureau of Indian Education)		\$1.1 B (one-half of 1 percent is reserved for Bureau of Indian Education)		Bryan Williams
DEPARTMENT OF EDUCATION/ Office of Safe and Healthy Students	National Center on Safe Supportive Learning Environments (NCSSLE) TA Center https://safesupportivelearning.ed.gov	NCSSLE offers information and technical assistance to States, districts, schools, institutions of higher learning and communities focused on improving student supports and academic enrichment, which may be related to drug and violence prevention, among other allowable activities. DEPARTMENT OF EDUCATION/ Office of Safe and Healthy Students	Readiness and Emergency Management for Schools (REMS) TA Center https://rems.ed.gov/	REMS serves as a hub of information and services (e.g., guidance, training, tools, and resources) to support K-12 schools and institutions of higher education (IHEs), both public and private, and their community partners, as well as partners at the local, state, and federal levels, to develop and maintain comprehensive, all-hazard, and high-quality campus and school emergency operations plans (EOPs) and continually build preparedness. Training and technical assistance addresses school preparedness (higher education and K-12 school safety, security and emergency management) using the Before, During and After paradigm to create EOPs to build capacity in the 5 missions: Prevention, Mitigation, Protection, Response and Recovery.	NA	NA	NA	NA	Madeline Sullivan
DEPARTMENT OF EDUCATION/ Office of Academic Improvement	21st Century Community Learning Centers Program https://www2.ed.gov/programs/21stcclc/index.html	Formula grant to State educational agencies, which award competitive subgrants to eligible entities to support creation of community learning centers that provide academic enrichment opportunities during non-school hours for children, particularly students who attend high-poverty and low-performing schools. Subgrantees may use funds for wide variety of academic enrichment activities, which may include drug and violence prevention programs, youth development activities, service learning, nutrition and health education, physical fitness and wellness programs, counseling programs, and character education programs.	\$1.2 B (up to 1% reserved for grants to Bureau of Indian Education)		\$1.2 B (up to 1% reserved for grants to Bureau of Indian Education)		Miriam Lund
