

The Special Diabetes Program for Indians (SDPI)

Please Join us at the NIHB Annual Consumer Conference for the Special Diabetes Program for Indians Luncheon Seminar.

Sheraton Denver Downtown, Grand Ballroom

Tuesday, September 25, 2012 @ 12:00—2:00 pm

This special session will highlight SDPI program outcomes, demonstrate how SDPI grantees have delivered on Congress' vision and challenge, and provide details on the effort in Congress to renew the program this year.

This is your opportunity to hear from leaders in Congress, Tribal leaders, top scientists, and researchers to learn about what has been accomplished, what remains to be done, and how you can get involved.

FEATURED PANELISTS:

Congresswoman Diana DeGette (D-CO-1), Co-Chair, Congressional Diabetes Caucus

Buford Rolin (Chairman, Poarch Band of Creek Indians), Chair, Tribal Leaders Diabetes Committee, NIHB Board Member

Spero Manson, PhD, Director, Centers for American Indian and Alaska Native Health, University of Colorado

Sandy Garfield, PhD, National Institutes of Health

James Buckles, Executive Director, Rocky Mountain Chapter, Juvenile Diabetes Research Foundation

Tekisha Everette, PhD, Managing Director, Federal Government Affairs, American Diabetes Association

Shondra McCage (Chickasaw Nation), Awakening the Spirit/American Diabetes Association

MODERATOR: Gale Marshall (Choctaw Nation)

Together we are Beating Diabetes
For our ancestors, our communities, and our future
