Dear Tribal Leader and Urban Indian Organization Leader:

I am writing to invite you to participate in a teleconference on the Health Resources and Services Administration (HRSA) funds available related to the HRSA \$15 million tribal set-aside associated with the COVID-19. We appreciate receiving input and recommendations from Indian Country for determining the most effective way to allocate the \$15 million set-aside for tribal entities serving rural communities under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). This consultation call will provide information about the HRSA/Federal Office of Rural Health Policy Notice of Funding Opportunity (NOFO) planned for release this month (April 2020). Your input will ensure HRSA has the best possible information as the NOFO is finalized.
