## MAKE SCHEDULING WITH CONGRESS EASIER:

Your stories and expertise for your community, programs, Nation, and people are unique and impactful. NIHB wants to help make scheduling with Congress easier.

1. Visit FiscalNote's "[Find your Legislator](#)" tool.

2. Type in your zip code and address.

A screenshot of a web form titled "Find Your Officials". It features two input fields: "Enter Street Address" and "Enter ZIP Code". Below the fields is a teal "Continue" button.

3. Click on the member you would like to review contact information for.

4. Call or Email the Congressional office, let them know who you are and who you would like to meet with.

a. You can request to meet with the Congressional Member, or a member of their staff for any issue you choose to provide.
