UNDER THE AFFORDABLE CARE ACT, AMERICAN INDIAN AND ALASKA NATIVE YOUTH NEED TO KNOW...

1. They can be added to or kept on their guardian’s health insurance until they turn 26

2. They will be covered for prevention screenings for things like STDs, HIV, pregnancy, depression and diabetes

3. Their additional coverage will allow them to receive service outside of the Indian Health Service

4. Medicaid may be a health coverage option for children and families

5. Their parents can file an exemption from the tax penalty for them
