

UNDER THE AFFORDABLE CARE ACT, AMERICAN INDIAN AND ALASKA NATIVE YOUTH NEED TO KNOW...

1

They can be added to or kept on their guardian's health insurance until they turn 26

2

They will be covered for prevention screenings for things like STDs, HIV, pregnancy, depression and diabetes

3

Their additional coverage will allow them to receive service outside of the Indian Health Service

4

Medicaid may be a health coverage option for children and families

5

Their parents can file an exemption from the tax penalty for them
